### OPERATION & MANAGEMENT OF SHELTER FOR URBANHOMELESSUNDERDAY-NULM

The National Urban Housing & Habitat Policy (NUHHP), 2007 aims at Promoting sustainable development of habitat in the country with a view to ensuring equitable supply of land, shelter and services at affordable prices to all sections of the society. However, the most vulnerable of these are the urban homeless.

The Urban homeless persons contribute to the economy of the cities and thus the nation as cheap labour in the informal sector; yet they live with no shelter or social security protection. The urban homeless survive with many challenges like no access to elementary public services such as health, education, food, water and sanitation.

**National Urban Livelihoods Mission (NULM)** aims at providing permanent shelter equipped with essential services to the urban homeless in a phased manner under the Scheme of Shelter for Urban Homeless (SUH).

#### **HONORABLE SUPREME COURT OF INDIA DECLARES:**

All cities covered under JNNURM and above 5 lakhs, to have one 24hrs, 365 days a year, homeless shelter with a capacity of 100 persons for every one lakh population.

Basic amenities to include mattress, bed roll, blanket, portable drinking water, functional latrines, first aid, primary health facilities, dead diction and recreation facilities etc.

30% of these to be special shelters (Women, old and in Agency, recovery shelters)
